

HLWA
is looking for
Bay Watchers!!

HAYDEN LAKE
WATERSHED
ASSOCIATION

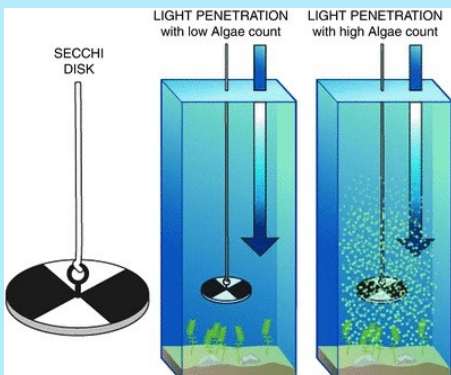

What is Bay Watchers?

Bay Watchers provides educational resources, workshops and networking for lake and bay residents. The program is run through a partnership with University of Idaho, Idaho Department of Environmental Quality and lake and bay communities.

What does it mean to be a Bay Watcher?

- Act as an ambassador to neighbors to help answer lake-related questions.
- Attend annual meetings and educational workshops as they interest you. Topics include aquatic plant management, dock permitting, algae blooms, shoreline development and more.
- Monitor water quality on your bay through training and equipment provided by Bay Watchers

Interested? Use the Bay Watchers Interest Form to contact us.

No experience
required,
all ages welcome.

If we get enough
interest, we will
start a group in
2021.
